

TEMECULA ENJOY A SHARP REDUCTION IN GRAFFITI DUE TO EDGE BEING CAUGHT LIVE ON SITE

Tripwire help nab “ Edge ” for the Temecula Special Enforcement Team.

This 22 year old male offender was a habitual wanted vandal throughout the Temecula region.

The Tripwire unit detected his ingress toward a favored hot spot for his tags. By setting up on the access used gave officers plenty of time to attend and arrest.

Offender received a restitution bill of \$6,500 and 6 months jail time.

Sergeant Ebbs from the Special enforcement team mentioned that the offender was habitual and they would have had no other way of catching him.

In his words “ The Tripwire units did exactly what we wanted and when we arrived he still had paint on his hands and fresh paint on the walls”

“EDGE” approaching the known ingress point where his favored walls are located.

Police alerted within 30 seconds and move to apprehend immediately.

Feel free in contact Sgt Ebbs from the task force to discuss their use of Tripwire...
